Support Special Needs Students Learning Ballroom Style Dance.

Students comprise a diverse background and possess a different level of ability. The common thread among these disabled students is the love of music and movement. For sure each student benefits in their own way.

GDA offers group classes and private coaching to our student base. All students begin in a group class. Advanced students are promoted to private coaching sessions. Instructors utilize the American Dance Syllabus for all classes.

All GDA students are eligible to participate in showcases and compete in local dance competitions. All GDA students participate in (1) lesson a week.
